

**Job Title:** Senior Projects Manager

**Company:** Assesmont Group Ltd

**Location:** Wickford Essex

**Salary:** £60,000 - £80,000 depending on experience

**About Us:**

Assesmont Group Ltd is a leading structural and architectural steelwork company with a reputation for delivering high-quality, innovative solutions. We specialize in the design, fabrication, and installation of Structural and Architectural steel structures for a wide range of sectors. Our team is dedicated to providing a service of excellence, safety, and sustainability.

**Position Overview:**

We are seeking an experienced and dynamic Senior Projects Manager to join our team. The successful candidate will be responsible for overseeing and managing large-scale projects from inception to completion, ensuring they are delivered on time, within budget, and to the highest standards of quality. This is a key leadership role that requires a motivated, strategic thinker with exceptional organizational and communication skills.

**Key Responsibilities:**

- Lead and manage multiple projects simultaneously, from planning and design through to execution and handover.
- Develop and implement project plans, schedules, and budgets.
- Coordinate with clients, architects, engineers, and subcontractors to ensure project requirements are met.
- Monitor project progress, identify potential issues, and implement corrective actions as needed.
- Ensure compliance with safety regulations, quality standards, and contractual obligations.
- Prepare and present regular project reports to senior management.
- Foster a collaborative and positive work environment, promoting teamwork and continuous improvement.

**Qualifications & Requirements:**

- Minimum of 10 years of experience in project management within the structural and architectural steelwork industry.
- Proven track record of successfully managing large-scale projects.
- Strong knowledge of project management methodologies and tools.
- Excellent leadership, communication, and interpersonal skills.
- Ability to work under pressure and meet tight deadlines.
- Proficiency in project management software and Microsoft Office Suite.
- Good knowledge of UK-CA steelwork requirements.
- Ability to work with no prompting from senior management, chasing RFI's, backing up verbal discussions and keeping the client updated on progress and variations.

**What We Offer:**

- Competitive salary and benefits package.
- Opportunities for professional growth and development.
- A supportive and collaborative work environment.
- The chance to work on prestigious and challenging projects.
- Company pension scheme.

**How to Apply:**

Interested candidates are invited to submit their resume and cover letter to [joe@asssmont.co.uk](mailto:joe@asssmont.co.uk). Please include "Senior Projects Manager Application" in the subject line.
